### Using the Multi-Use PTT38

To get the best audio quality while talking with PTT38, be aware that the microphone of the PTT shows in the direction of the mouth (1). With the help of the clip (4), stabilize it on the collar or lapel of the overall. Please see the picture below.

### Features of the PTT38

- (1) Microphone
- (2) Push-To-Talk Button
- (3) 3.5 mm Audio Jack
- (4) Clip (on the back side)

For talking, please push the PTT-Button (2) continuously. When finished the talk just release the PTT-Button (2), then the microphone is on mute.
