### Using the C-Shaped Earphone "Platin"

The C-Shape is adjustable for a wide range of different ears. Due to its flexible materials, the C-Shape can be easily adjusted to comfort the most user's ears. It can be used on left or right ear as well.

To use the Earphone on both ears, you need to change the cable's position.

**Please smoothly rotate the case! - Please do not pull the cable!!!**

*rotatable cable design*
