

Acoustic Tube - Professional Audio Solution

The Acoustic Tube is one of BATSTAR's most used audio solutions worldwide. It is discreet, easy, extremely lightweight and provides a high wearing comfort.

Its transparent acoustic tube style fits every outfit and for a secured position it has a 240 degree revolving clip, which can be fixed at the user's clothing.

All parts of these Wire Kits are easy exchangeable and are available in different versions to meet the need of multiple users every day. Some articles of our product range are listed below.

- BATSTAR Acoustic Tube „Standard“
- discreet and easy
